### Colonel Roosevelt Announces His Creed Before Kansas Audience

## FOR PROGRESSIVE REPUBLICANISM

### Struggle is to Hold Self-Government Against the Special Interests—Advocates More Government Control of Combinations Dealing in Necessaries of Life—State and National Laws on Woman and Child-Labor.

Oswatimie, Kan., Aug. 31.—In a speech before a large audience of farmers and business men, Colonel Roosevelt today announced his political creed. It was a creed of progressive republicanism. It placed the emphasis on the government which had the power to do good, and on the government which had the power to do evil. It placed the emphasis on the government which had the power to do good, and on the government which had the power to do evil. It placed the emphasis on the government which had the power to do good, and on the government which had the power to do evil.

More Power to Control Corporations. Colonel Roosevelt declared himself in favor of a wide increase in the power of the national government in control of corporations and in working out the policies which he believed would be for the benefit of the people. He declared that the "new nationalism" as he termed it, was an increase in governmental power. Colonel Roosevelt characterized the issue of the day as the struggle between the government and the special interests. He declared that the government should have the power to control the special interests, and that the government should have the power to control the special interests.

Eighteen Principles Stated. The ex-president declared himself in favor of the following principles: 1. Elimination of special interests from politics. 2. Control of corporations by the government. 3. Control of corporations by the government.

Warning Against the Extremist. While Colonel Roosevelt's speech was regarded by many of those who heard it as carrying him further than before with the progressive movement, it was also regarded by some as a warning against the extremist. It was a warning against the extremist. It was a warning against the extremist. It was a warning against the extremist.

## New Record Flying over Water

60 MILES OVER LAKE ERIE BY CURTISS IN BIPLANE.

## OVIATION AT FINISH

Course from Euclid Beach to Cedar Point—Averaged 45 Miles Per Hour—Return Trip This Morning.

Cleveland, O., Aug. 31.—Glenn H. Curtiss of Hammondsport, N. Y., today established a new record for over-water flying by traveling over Lake Erie from Euclid Beach to Cedar Point, a distance of 60 miles, in 1 hour and 18 minutes. His average time was 45 miles an hour, though one stretch of twenty miles covered at a rate of a mile a minute.

Same Machine for Albany New York Flight. Curtiss used the eight cylinder, fifty horse power biplane of his own construction in the flight. He made his flight down the Hudson river from Albany to New York.

Twelve Miles Breeze Was Favorable. It was shortly after 10 o'clock when the biplane was taken from the aerodrome. At 1:03 p. m. after it had been ascertained that the breeze from the northeast prevailed in Cleveland and Cedar Point alike, the motor was started. At 1:06 p. m. with the wind blowing from the north, Curtiss had gathered at the starting point ringing in his ears, the aviator swept over the lake.

At Height of Two Hundred Feet. After reaching a height of two hundred feet the machine turned to the west. At 1:13 p. m. it had passed Cleveland harbor and was one hundred miles along the lake front, and on top of the clouds. The machine was seen from the northeast in the distance. The machine was seen from the northeast in the distance. The machine was seen from the northeast in the distance.

Twenty Miles in Twenty Minutes. At 1:26, just twenty minutes after leaving Euclid Beach, the biplane was sighted off Dover bay, twenty miles from Cleveland. It passed Lorain, at 1:38 crossed directly over Vermilion and at 2:18 was sighted at Cedar Point. Five minutes later it glided on to the beach in front of The Breakers hotel.

Ten Thousand Greet His Arrival. A crowd of ten thousand people gathered on the beach when Curtiss landed. They gathered round him, lifted him on their shoulders to his hotel. Curtiss immediately telephoned his wife of his arrival. After dining he announced that because of the breeze which had risen, he would postpone his return trip until 10 o'clock tomorrow morning.

Air Currents Cut Down Speed. Had the aviator been able to maintain the speed at which he set out, he would have made the round trip in less than an hour. However, he encountered air currents that materially impeded progress.

CUSTOMS INSPECTORS ALERT FOR DUTABLE GOODS. Proprietor of Sherry's Asked to Explain About Foreign Bought Wearing Apparel. New York, Aug. 31.—Customs inspectors held up for examination today two trunks and two bags of Miss Josephine Mahoney of Jamaica Plain, Mass., who arrived from Europe on the ship the "Holland." ## LAST FUTURE WON BY

Hildreth's Colt Has Half Length Lead Famous Turf Classic

## RACE NETTED \$23,800 TO WINNER

Bashti Second, Love Not Third Before 15,000 People Saratoga Track—Time Nearly Equals Track Record

Love Not Runs Away Before the Start—Anti-Bett Law Sent Race from Coney Island.

Saratoga, N. Y., Aug. 31.—The classic Futurity, the richest of the country and perhaps, in view of anti-betting legislation, the last Futurity, was won today by S. C. Hildreth's Novely, ridden by Shilling, in 1:12-1-5. The race netted only \$23,800, the winner, although in the past it has been sometimes worth more than \$60,000. H. P. Whitely's Bashti, bought a few days ago for \$30,000, earned \$1,975 in second place. E. R. Bradley's Love Not took third money, \$1,828. The time for the six furlongs is only three-fifths of a second slower than the track record.

Runaway Before Race. The most remarkable incident of the race was the brilliant performance of Love Not. On the way to the post she became unmanageable and ran for half a mile at full speed. Her jockey, Reid, finally pulled her up, but it took twenty minutes to bring her back to the post. When the start came she rushed into the lead with a tremendous burst of speed and led to the final furlong point. There her earlier effort told, and she stopped badly, but made her way to the finish. Her jockey, Reid, was nearly unseated by her runaway before the race.

Shilling's Superb Horsemanship. On actual performance, though, the victory of the Hildreth colt stamps him the best two year old in training. On the whole, the race was a very close one. The winner, Novely, conceding weight to every other horse entered, and his victory must be credited to the skill of his jockey, Shilling, who had ridden him in all the races he has won at the meet. The crowd of 15,000 was the largest that has ever attended the races here.

Three Withdrawn at Last Moment. Fifteen two year olds were entered to start, but at the last moment Bashti, owned by Hildreth, was withdrawn. Beting began with Novely and Bashti, owned by Harry P. Whitely. The crowd of 15,000 was the largest that has ever attended the races here.

First Walkover of the Year. In the fifth race Ocean Breeze, 119 pounds, equalled the American record for a mile, 1:27-3-4. The race was a very close one. The winner, Ocean Breeze, conceding weight to every other horse entered, and his victory must be credited to the skill of his jockey, Shilling, who had ridden him in all the races he has won at the meet.
